### Ghi chú

- The interest rate is calculated based on the reducing balance on the basis of 1 year 365 days.
- Depends on specific case, interest rate could be applied differently to the same type of customer and loan conditions or promotion ( if any) will be announced by JIVF. Customer should contact to JIVF sales consultant to be consulted more about applied interest rate and specific type of customer.
- In the case of interest 0% loan, if the debt is overdue, the customer must pay interest on the overdue principal amount corresponding to the late payment period. The interest rate agreed with customer is 45.0000%/year and this rate is calculated from to time according to JIVF's credit policy.
